## Ticino

The combination of classic and modern, calm white color and contrasting facades makes the Ticino series an elegant and at the same time mere addition to your bathroom.

You can choose classic white furniture or black or veneered fronts.

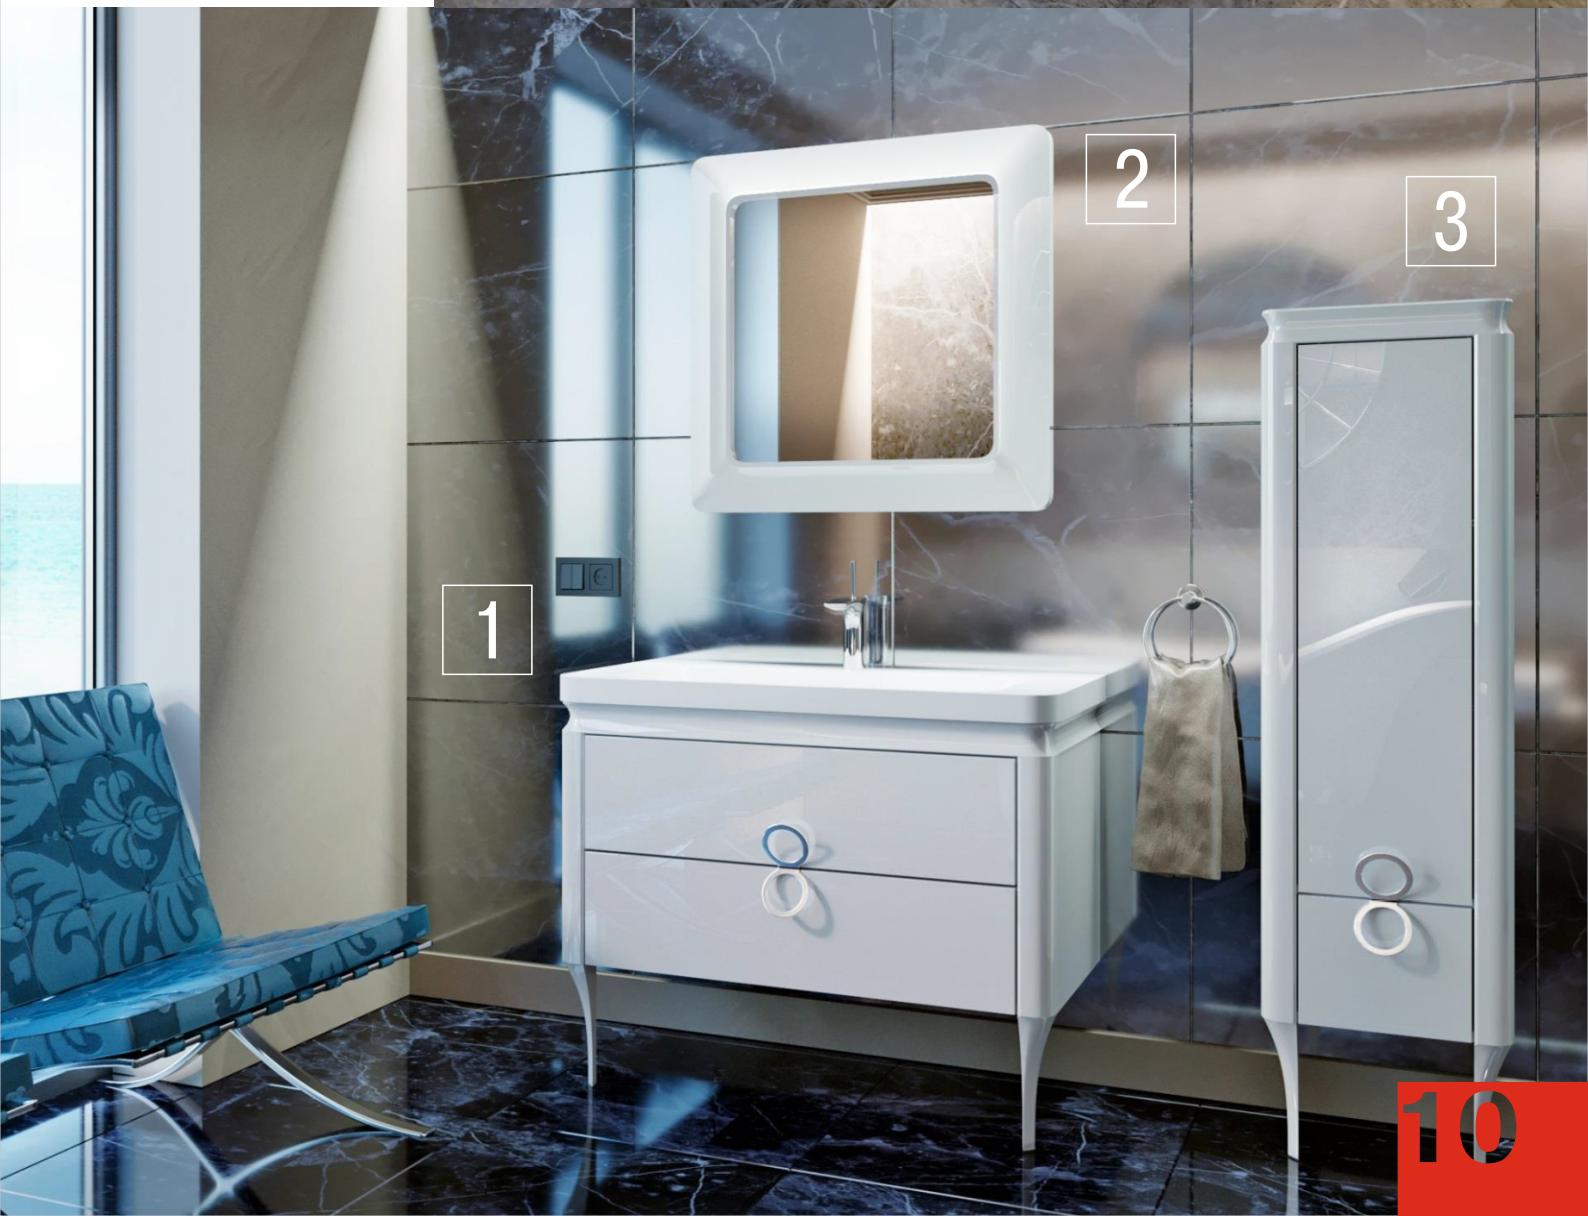

The series is characterized by high-gloss enamel, a variety of possible fronts, and it is completed with a ceramic washbasin, as well as a right-handed tall storage unit.

1. Tc-105
2. TcM-80
3. TcP-190

- Glass shelf with chrome-plated holders
- LED lamp and switch

## Prato

Minimalism, trendy colors, rounded design and incorporated chromium-plated door handles are the main features of the Prato series.

It looks light and weightless, unloads bathroom space thanks to its wall-mounted constructions and maximum functionality.

With the furniture of this collection, you will make the bathroom modern and non-standard, as well as use every inch of available space.

The collection is completed with a mirror cabinet with LED lighting, ceramic washbasin and multipurpose storage unit – when turned 180° it may become right or left.

3. | **TvP-190**

The straightness of lines, the severity of the forms, the variety of colors and textures of the Tivoli series will set the mood for your bathroom and make it minimalist and at the same time practical.

In this collection, you can choose both calm classic and bright colors.

The series is complemented by a mirror cabinet with LED lighting from the Prato collection, completed by ceramic washbasin and right or left storage unit.

The vanity unit has no door handles in its construction; their function is performed by a groove milled on the front part.

## Oscar

Unusual textures, geometry of shapes, sharpness of colors and contrasts distinguish the Oscar series from other bathroom furniture.

It will surprise you with its functionality, because the tall storage units and chests of drawers of this series are so compact and at the same time practical that it's hard to imagine the space of a modern bathroom without them.

The vanity unit with an artificial stone washbasin is available in size 80cm; and it is equipped with a mirror cabinet of the appropriate size with lighting and a socket inside.

Having bought this series of bathroom furniture, you will make your space mega functional and sophisticated!

- Chrome-plated hook handle

1. | Nv-60
2. | LvrMC-60

## Novara

Light in shape, weightless at first glance, the slightly cosmic and unusual Novara series will charm you with its compactness, practicality and versatility.

Novara is presented for you in 50 and 60 sizes of vanity units with a washbasin, which have one and two doors in their design accordingly.

Their internal space is not divided by any shelves, which will allow you to hide inside a maximum of household items.

1. Nv-60
2. Nv-50
3. LvrMC-50

The series is equipped with a ceramic washbasin, and all the furniture is finished with high-gloss white paint.

We advise you to complete the vanity units with mirror cabinets of the Livorno series.

## About us

"Juventa" TM is a Ukrainian manufacturer of bathroom furniture from standard to premium segment. We started our activity in 2000, and nowadays we are one of the leading manufacturers of bathroom furniture in Eastern Europe. During this time, we have proved to our clients that the bathroom furniture of our production is quality, elegance, practicality, and functionality.

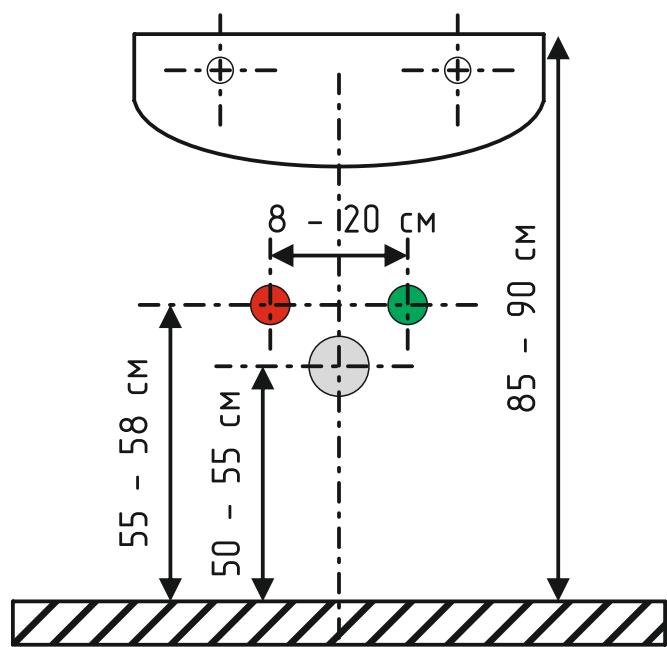

Our bathroom furniture will pleasantly surprise you, because:

1. It is made both manually and on modern equipment. During the complete technological cycle of production of bathroom furniture, we use the latest technologies, namely high-precision equipment and digital software control from global brands - CEFLA S.p.A, Italy; SCM GROUP S.p.A, Italy and others.
2. Materials used in the manufacturing of furniture are supplied by the best manufacturers of Ukraine and Europe. Our production is the most modern in Eastern Europe and meets the requirements of quality and safety.
3. Our products are not only correspond to fashion and design trends, but also comfortable and functional. We think over the smallest details: practical internal separation of drawers, laundry baskets and other functional features.
4. We provide a 24-month guarantee and after-sales service for all bathroom furniture.

We produce high-quality bathroom furniture and day by day prove the customers that high-quality furniture may be of Ukrainian production. In our catalog you will find over 300 items of products in the range. "Juventa" TM is bathroom furniture for those who choose quality and elegance!

All our "Juventa" TM furniture meets the requirements of international FSC standards.  
The design of vanity units is harmonized in accordance with the European norms of water supply and drainage.  
The size of the vanity unit is indicated taking into account the sizes of washbasins.  
The size of the mirrors and mirror cabinets is indicated taking into account the sizes of lamps.  
Weight and sizes of products/packed furniture may slightly differ from provided.
